Cartwheelfactory's Single Adjustable Ballet Bar

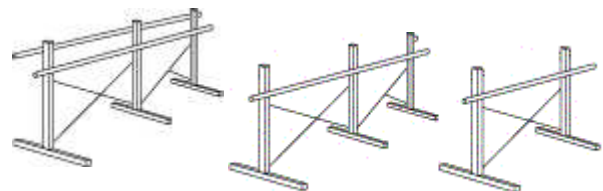

Free Standing/Portable Ballet Bars (Adjustable)

Completely independent adjustment design permits dancer on either side to set bar to preferred height (31" to 45") We feel this is the strongest, best braced and most easily adjustable portable ballet bar you can buy. Disassembles (without tools!) in about a minute and can be transported in even a small car. Choose from 5 barre lengths; one barre on each side. All wood bars are shipped in individual cardboard tubes and are hand-sanded without a liquid finish. Made in **USA**
