

Adagio™

If versatility in usage is your primary concern, Adagio should be your first choice. It is recommended for tap but its non-reflective, controlled slip vinyl surface makes it equally successful as a ballet, modern and jazz floor. Because it is dimensionally stable it can be permanently installed using Rosco adhesives for long term use.

Adagio Tour Ballet Dance Floor

Adagio Tour is uniquely suited to those who need a tough, lightweight floor for percussive dance styles. Tour has been specially designed to lay flat quickly and provide a surface with terrific tap sound. The surface is also excellent for all other dance forms including ballet, modern, Irish and jazz.

Adagio Tour weighs only 1.96 lbs. per linear foot and provides a matte, non-reflective surface that is ideal in all performance venues. Despite the tough surface, Adagio Tour is very flexible, assuring years of carefree rolling and re-rolling.
